

## What is Driver ADR?

**The European Agreement concerning the International Carriage of Dangerous Goods by Road.**

If you are driving a vehicle carrying dangerous goods, then you must by law hold an ADR licence.

More details can be found by clicking on the link below.

[Get Qualified to Drive Dangerous Goods](#)

**FULL ADR Qualification including up to 28 hours of CPC hours only £495.00 all inclusive**

**For limited ADR Qualification, please call for more details for personal quote.**

Full ADR qualification courses start on a Monday and finish on the Friday with the SQA exams.

As we do computer based SQA exams, you will receive your results at the end of your exams on the same day. You will not have to wait weeks to find out your result.

If you do not require full ADR and are looking to transport limited quantities or just certain categories of dangerous goods, then please contact us for a bespoke quote.
